Jamie M. Miller, Executive Director

November 24, 2015

RE: Marine Fisheries Vessel
Bid No. 3160000681

To whom it may concern,

The Department of Marine Resources (DMR) has made the determination to cancel the above referenced procurement. The determination was made due to an error in the advertisement of this bid.

We are correcting these issues and will rebid this project in the coming months.

We sincerely apologize for any inconvenience this may have caused and would encourage your participation in the corrected bid solicitation.

Sincerely,

Sonja Slater
Director of Procurement
Department of Marine Resources
