FOR IMMEDIATE RELEASE

DMR Prints Vietnamese, Spanish Translations of Pocket Guide to “Mississippi Saltwater Recreational Fishing Size and Possession Limits”

BILOXI, Miss. – The Mississippi Department of Marine Resources (DMR) has printed Vietnamese and Spanish translations of its “Mississippi Saltwater Recreational Fishing Size and Possession Limits” pocket guide. The wallet-sized, water-resistant guide provides a size and bag limit chart for some of the most popular sportfish found in Mississippi waters.

The translations and English version of the pocket guide are free and available at the DMR office at 1141 Bayview Ave., Biloxi, or on the DMR Web site at www.dmr.ms.gov under the publications menu.

Please be aware that size and possession limits are subject to change. Please contact the DMR at 228-374-5000 for the most current limits. Not all fish species are listed on this card.

The Mississippi Department of Marine Resources is dedicated to enhancing, protecting and conserving marine interests of the state by managing all marine life, public trust wetlands, adjacent uplands and waterfront areas to provide for the optimal commercial, recreational, educational and economic uses of these resources consistent with environmental concerns and social changes. Visit the DMR online at www.dmr.ms.gov.
