

To whom it may concern,

In the Invitation for Bids for the Boat for Marine Patrol, we stated that we would let all bidders know by January 20, 2016, by 5:00 p.m. who was the lowest and best bidder. We are still reviewing all the paperwork that was submitted in reference to this bid. We will let you know no later than Friday, January 29, 2016, who the lowest and best bidder is.

Thank you for your patience with the MDMR in this matter. If you have any questions, please feel free to give me a call.

Sincerely,

Procurement Personnel
