Red Grouper season closes Oct. 8

BILOXI, Miss. – Officials with the Mississippi Department of Marine Resources have announced that the recreational season for Red Grouper (*Epinephelus morio*) will close at 12:01 a.m. Oct. 8, 2015 in Mississippi territorial waters.

This order comes through the authority granted to the executive director of the MDMR by the Mississippi Commission on Marine Resources.

The Mississippi Department of Marine Resources is dedicated to enhancing, protecting and conserving marine interests of the state by managing all marine life, public trust wetlands, adjacent uplands and waterfront areas to provide for the optimal commercial, recreational, educational and economic uses of these resources consistent with environmental concerns and social changes.
