[Miss.Code ann. § 25-41-1](#); *Mayor & Aldermen of Vicksburg, supra*; *Board of Trustees v. Miss. Publishers Corp.*

A citizen spectator or news reporter is not a participant. He has no right to intrude or interfere in any manner with the discussion, deliberation or decision-making process. [Miss.Code Ann. §25-41-9](#); [Wood v. Marston, 442 So.2d 934, 941 \(Fla.1983\)](#). But he does have a right **enforceable at law** to be there and see and hear everything.

# Open Meetings Act

## §25-41-1 *et seq.*

# §25-41-1 Legislative Declaration.

- It being essential to the fundamental philosophy of the American constitutional form of representative government and to the maintenance of a democratic society that public business be performed in an open and public manner, and that citizens be advised of and be aware of the performance of public officials and the *deliberations and decisions that go into the making of public policy*, it is hereby declared to be the policy of the State of Mississippi that the formation and determination of public policy is *public business and shall be conducted at open meetings except as otherwise provided herein.*

# Hinds Cty. Bd. Of Supervisors v. Common Cause of Mississippi, 551 So. 2d 107 (Miss. 1989)

- Every member of every public board and commission in this state should always bear in mind that the spirit of the Act is that a citizen spectator, including any representative of the press, has just as much right to attend the meeting and see and hear everything that is going on as has any member of the board or commission.
- Enforceable at law!!!

# THE BASICS

- Public meetings must be open to the public
- Executive session must follow specific procedure and only for 14 reasons outlined in § 25-41-7(4)

Note: Executive sessions are never required by the act

- Notice of meeting must be given, and minutes must be kept
- Social gatherings are not meetings, UNLESS official business is discussed.

# Miss. Code Ann. § 25-41-7(4)

- 1. Business related to personnel, the character, professional competence, and physical or mental health of a person.
- 2. Strategy sessions regarding litigation, “when an open meeting would have a detrimental effect on the litigating position” of the board
- 3. Business as to security personnel, plans or devices.
- 4. Where the board is involved in investigative proceedings regarding misconduct or illegality.
- 5. Extraordinary emergency posing immediate or irrevocable harm to persons or property.
- 6. Proposed sale, purchase or leasing of lands.
- 7. Industrial or business prospects as to location, relocation or expansion.
- 8. Employment and termination of employees, including deletion of jobs from budget. But final budgetary adoption must be in Open Meeting.

# ENFORCEMENT

- Complaint filed with Mississippi Ethics Commission
- Public body can respond to a complaint
- May dismiss complaint, make preliminary finding or hold hearing
- May order public body to comply with law
- May impose a \$500 fine for first offense and \$1,000 for subsequent offense

# DEFINITIONS

- MEETING is any gathering of a quorum, regardless of the medium (whether in person or by phone, email, text or smoke signal) to discuss a matter under the authority of the public body.
- PUBLIC BODY = Commission on Marine Resources

## Columbus City Council v. The Commercial Dispatch

- City of Columbus held 4 pairs of prearranged, nonsocial, sub-quorum gatherings to discuss city business over the course of 2 months.
- The subjects discussed did not fall under any of the statutory exceptions.
- No notice was given to the public. Newspaper reporter requested to attend. Mayor refused.
- MS Supreme Court held that the facts of this case illustrated the City's INTENT TO CIRCUMVENT OR AVOID the requirements of the Open Meetings Act.

# Significance of the Columbus Case

- Even though the ruling is “fact-specific”, going forward:
- Sub-quorum meetings cannot be used to avoid the OMA.
- Discussions outside of the public meeting should NOT be related to public business.
- Once a matter of public business has been discussed between enough board members to constitute a quorum, the OMA has likely been violated. (No phone or email polls)
- Staff members may provide information but may not be used to poll the other Commissioners.
