

**Date:** July 7, 2020  
**Project:** Coffee Creek Outfall Replacement – RFX # 3160003640  
**Owner:** Mississippi Department of Marine Resources  
**To:** Prospective Bidders  
**RE:** Response to Inquiries No. 1

1) How quick does MDMR intend to award the job?

Answer: Based upon a successful bid, the job is anticipated to be awarded quickly and could be as early as the first to middle of August.

2) Is the 180 day duration of the project for Base Bid only?

Answer: Yes, the 180 days is for Base Bid only.

3) Is the finish on the top slab of the box culvert system required to be water/shot blasted for the traffic coating?

Answer: No – the specifications call for a steel trowel finish followed by a light broom.

4) Is the project in jeopardy due to the current budget issues being experienced by MDMR?

Answer: No – Funding for this project is in place but is project award is contingent on approval of an FY 2021 budget for MDMR by the Legislature.
