Mississippi shrimp season opens May 25

BILOXI, Miss. – The Mississippi Department of Marine Resources has set the opening date of the 2022-2023 shrimp season in state territorial waters for 6 a.m. Wednesday, May 25, 2022.

All regulations of the MDMR will be in full force and effect, and all boats engaged in catching or transporting shrimp from Mississippi waters must be licensed or permitted by the MDMR before beginning operations.

Recreational and commercial shrimp season north of the Intracoastal Waterway will close at 12:01 a.m. on Jan. 1, 2023. Areas south of the Intracoastal Waterway and west of the Gulfport Ship Channel, shrimp season will close at 12:01 a.m. on May 1, 2023. Licensed live-bait shrimping is open year-round in designated areas.

Staff will continue to sample prior to the opening date. The shrimp season opening date may be postponed if sampling indicates movement of large numbers of juvenile brown shrimp into this area.

Additionally, Marine Patrol officers will be available to perform dockside courtesy inspections of Turtle Excluder Devices upon request of shrimpers. Shrimpers requesting courtesy inspections should contact Marine Patrol at 228-523-4134.

For specific information, call the Mississippi Shrimp Information Hotline at 866-938-7295 or the MDMR at 228-374-5000.

The Mississippi Department of Marine Resources is dedicated to enhancing, protecting and conserving marine interests of the state by managing all marine life, public trust wetlands, adjacent uplands and waterfront areas to provide for the optimal commercial, recreational, educational and economic uses of these resources consistent with environmental concerns and social changes.
