Representation Regarding Contingent Fees. The Contractor represents that it has not retained a person to solicit or secure a state contract upon an agreement or understanding for compensation, except as disclosed in Contractor's bid or proposal.

Employees and Subcontracts

Independent Contractor Status. The Contractor is an independent contractor for MDMR, not an employee, agent, or partner.

Discrimination Prohibited. The MDMR is an equal opportunity employer and maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information or any other consideration made unlawful by federal, state, or local laws. The Contractor agrees to strictly adhere to this policy in its employment practices and provision of services.

E-Verify Program. The Contractor will ensure its compliance with the Mississippi Employment Protection Act, Miss. Code Ann. §§ 71-11-3. For anyone hired to perform work in Mississippi, the Contractor must register and participate in the E-Verify Program operated by the United States Department of Homeland Security. The Contractor agrees to maintain records of compliance and to provide a copy of verification to the MDMR on request. The Contractor further represents and warrants that any person assigned to perform services related to this contract meets the employment eligibility requirements of all immigration laws of the State of Mississippi. The Contractor understands that any breach of these warranties may subject it to the following:

- a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three years, with notice of the termination being made public, or
- b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or government entity for the right to do business in Mississippi for up to one year, or
- c) both. In the event of termination, Contractor is also liable for any additional costs incurred by the state due to contract cancellation or loss of license or permit.

Access to Records

The Contractor agrees that the MDMR, or any of its duly authorized representatives, at any time during the term of this contract, has access to, and the right to audit or examine any pertinent documents, paper, and records, related to charge and performance under this contract. The Contractor agrees to refund to the MDMR any overpayments disclosed by an audit. Records must be kept for a period of three years after final payment, unless the MDMR authorizes earlier disposal. However, if any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the three-year period, the records must be retained until completion of the action and resolution of all issues which arise from it.

Termination

Termination for Default. If the MDMR determines that the Contractor has breached any provision of this contract, or it appears that the project deadlines will not be met, the MDMR may notify the Contractor in writing of the delay or nonperformance. The writing must provide a time period for cure. If the Contractor does not cure in the time specified, then the MDMR may terminate all or part of the contract. The MDMR may then procure similar supplies or services from another vendor. The Contractor must continue performance of the contract to the extent it is not terminated and is liable for MDMR's excess costs to procure similar goods or services.

Termination for Convenience. The MDMR may, when the interests of the state so require, terminate this contract in whole or in part, for the convenience of the state.

Termination for Insufficient Funds. The MDMR's obligations under this contract are conditioned on the appropriation of funds by the state or federal government. If the anticipated funds are ever insufficient or there is a material alteration in the funded program, then the MDMR may terminate this agreement with 10 day's written notice to the Contractor. If the MDMR terminates the contract under this subsection, then it does so without any damage, penalty, cost, or expense.

Mutual Termination. Upon agreement of both parties, the contract can be terminated immediately.

Force Majeure. Each party is excused from performance of any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of the party or its contractors. Force majeure events include acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters. When such a cause arises, the Contractor must notify the MDMR immediately in writing of the cause of its inability to perform; how it affects its performance, and the anticipated duration of the inability to perform.

Delays in delivery or in meeting completion dates due to force majeure events automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the MDMR determines it to be in its best interest to terminate the contract.

In Case of Termination. On the date of termination, the Contractor incurs no further obligations regarding the terminated portion of the work. The MDMR will pay for completed services at the contract price. The MDMR may withhold such sums as the MDMR considers necessary to protect the state against loss because of outstanding liens or claims of former lien holders and to reimburse the MDMR for the excess costs incurred in procuring similar goods and services.

On termination, the Contractor must do all of the following:

1. Terminate outstanding orders and subcontracts as they relate to the terminated work.
2. Settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work.
3. Take timely, reasonable, and necessary action to protect and preserve property in its possession in which the state has an interest.
4. Assign the Contractor's rights, titles, and interest under terminated orders or subcontracts to the state, if requested by the MDMR.
5. If the termination is just for a portion of the work, then complete the non-terminated work duties.

Stop Work Order

Order to Stop Work

The Chief Procurement Officer of the MDMR, may, by written order to the Contractor at any time, and without notice to any surety, require the Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to the contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Chief Procurement Officer shall either:

1. Cancel the stop work order; or,
2. Terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.

Cancellation or Expiration of the Order:

If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly,

1. The stop work order results in an increase in the time required for, or in Contractor's cost properly allocable to, the performance of any part of this contract; and,
2. The Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Chief Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.

Confidentiality. The Contractor must not use or disclose any confidential information. However, nothing in this section precludes the Contractor from disclosing or using confidential information, if:

- a) The confidential information is available to the public or in the public domain at the time of such disclosure or use, without breach of this Agreement;
- b) Disclosure of the confidential information is required to be made by any law, regulation, governmental authority, or court; or,
- c) The confidential information was received by the Contractor after termination of the service period from a third party that had a lawful right to disclose it to the Contractor.
- d) Contractor must not disclose or discuss the contents of any personnel file except to MDMR personnel that are authorized to receive and review such information.

Transparency. This contract, including all attachments, is under the Mississippi Public Records Act of 1983 (Miss. Unless exempted by a court-issued protective order, a copy of this contract will be posted to the Department of Finance and Administration's website for public access at www.transparency.mississippi.gov. Information identified by the Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required to be kept confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted. In the event the MDMR receives a public records request for documents containing information identified by the Contractor as trade secrets or proprietary information, the MDMR will notify the Contractor who will be given a reasonable time to obtain a court order protecting the information. *See* Mississippi Code Annotated § 25-61-9(1).

Trade Secrets, Commercial and Financial Information. It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.

act, error or omission of Contractor, its employees or representatives. Contractor assumes all liability for workers' compensation and employers' liability coverage for its own employees. Contractor is responsible for and holds MDMR harmless from loss of or damage to Contractor's or Contractor's tools and equipment and rented items which are used or intended for use in performing work, and for any consequential, special or indirect damages, or loss of anticipated profits sustained by Contractor or its independent contractors. Contractor must comply with all applicable laws and government regulations, including OSHA and comparable state requirements.

Attorneys' Fees and Expenses. Subject to other terms and conditions of this contract, in the event the Contractor defaults in any obligations under this contract, the Contractor must pay to the MDMR all costs and expenses (including, without limitation, investigative fees, court costs, and attorneys' fees) incurred by the MDMR in enforcing this contract or otherwise reasonably related thereto. Contractor agrees that under no circumstances is the MDMR or the State of Mississippi obligated to pay any attorneys' fees or costs of legal action to the Contractor.

Entire Agreement. This Agreement and its attachments are the entire understanding between the parties.

Changes. The parties can amend this Agreement only by a written document signed by both parties.

No Delegation (Subcontracting). The Contractor acknowledges that it was selected by the MDMR to perform the work based upon the Contractor's special skills and expertise. The Contractor must not delegate its duties under this Agreement in whole or in part without the prior written consent of the MDMR.
