Good morning,
The Office of Statewide Strategic Sourcing (OSSS) has issued an Invitation for Bids (IFB) on behalf of the Mississippi Department of Marine Resources (MDMR). MDMR is soliciting bids from qualified and experienced contractors to perform selective mastication within the project area. The work is intended to reduce woody vegetation, increase sunlight reaching the ground, and promote the development of herbaceous understory vegetation. The IFB can be found on the MDMR website by following the link below (hold ctrl and click the link).
GBNERR Mastication Project - Mississippi Department of Marine Resources
Please download or print a copy of the attached file for your records, as it may eventually be removed from the website.
If you experience any issues accessing the documents through the provided link, feel free to reach out to me directly. **Updates related to this solicitation will be posted on the website**, so I encourage you to **check it periodically to ensure you have the most current information**.

Thank you,

April S. Burns
Deputy Director
Office of Statewide Strategic Sourcing (OSSS)
