Questions and Answers

RFx No. 3160008295

No.	Question	Answer
1	Regarding Attachment A, Section 8.19 (No Delegation/Subcontracting), what is the process for obtaining MDMR's written approval to use a qualified marine subcontractor for loading, transportation, and deployment? Please advise what documentation is required and whether approval must be obtained before bid submission.	The contractor must submit a letter to the MDMR contact identified in Section 8.21 (Notices), requesting permission to use a subcontractor. The letter must identify the proposed subcontractor, describe the specific work to be performed, and explain the need for subcontracting. MDMR will review the request and provide its decision in writing. Approval is not required before bid submission; however, MDMR's prior written approval is required before any duties are delegated to the subcontractor.
